

9th - 12th Grade

# ACADEMIC OFFERINGS

Most high schools prepare you  
for your first semester of college.

**WE HELP YOU SKIP IT.**

**RETURN ON INVESTMENT**

## 71 College Credit Hours Offered

The 55 members of the class of 2018 were offered a total of **\$9.7 MILLION** in scholarships.  
(\$176K per student average)

Students should contact their higher education institutions of interest regarding their credit transfer process prior to registering for dual credit/dual enrollment courses. FCS offers an extensive list of dual enrollment/dual credit opportunities; however, each university sets its own policy as to how many credits a student may transfer while still be considered for incoming-freshmen scholarships (as compared to entering as a transfer student).

**ACT score averages exceed state & national level**

**100%**

were accepted into college and were HOPE Scholarship eligible.

**PLEASE NOTE:**

In order to receive a Friendship Christian School diploma, students are expected to be enrolled at FCS a minimum of four semesters of their high school career. The primary exception to this would be a student who is moving into the local area from out of state or a distant region of Tennessee. Students from local high schools will not be considered for transfer if they will not meet this requirement.

Students must be enrolled at FCS for all four years of high school in order to be considered for Valedictorian or Salutatorian.

Some courses may not be offered every semester.
